

A Short Tribute:

When Yvette knocked and was ushered into our office, We thought she had come to say Hi (as she usually does) to us at the International Institute for Advanced Studies (IIAS), University of Ghana. Little did we know that she came bearing the sad news of your passing. IIAS is deeply saddened by the passing of Dr. Gugulethu Siziba. He was such a prolific writer who saw an opportunity to get an article even out of informal discussions we had when we hosted you in Ghana under the African Humanities Programme (AHP) Fellowship.

May the good Lord keep you Safe in His Eternal Bosom.

From the Director, Staff and Fellows of IIAS.
